

PROJECT SOLUTIONS

Surfers Paradise

Surfers Paradise is the jewel of the Queensland Gold Coast. Sun, sand and surf, it epitomises everything Australian and is the undisputed tourist capital of Australia.

Providing electricity and power to the millions of residents in Queensland and one of the biggest tourist machines in the Southern hemisphere are two main Distribution Utilities - Ergon Energy and Energex.

The Solution

Through their Australian subsidiary Hawker Siddeley Switchgear Pty Ltd - Hawker Siddeley Switchgear, market leaders for fixed 11kV switchgear in Queensland, has won a period contract with Ergon Energy and an extended period contract with Energex to supply their acclaimed 11kV Eclipse indoor switchgear.

Offering customers one of the world's most advanced and reliable switchgear solutions, the Eclipse has a proven track record in a wide range of applications. It's unrivalled reputation for product excellence provides two of Australia's biggest Utilities with proven technology and real benefits.

Complete Customer Satisfaction

With around 600 Eclipse units already successfully installed in the State of Queensland, Hawker Siddeley Switchgear are looking forward to continuing their relationship with Australia's Sunshine State.
